RINGTREAD BUS 100

The ESWE bus company in Wiesbaden, short: ESWE traffic, is not only one of the largest public transport companies in Hesse, but also an integral part and a well-known landmark of Wiesbaden city life. Formerly related to the Stadtwerke, the blue orange ESWE buses influence the townscape of the Hessian state capital since generations. Road Network comprising approximately 600 kilometers of line, 245 buses convey almost 55 million passengers every year. For years the ESWE use retreaded bus tyres (275/70R22,5) from Reifen Müller, Hammelburg.

Performance retreaded bus tyres of Reifen Müller

Since autumn 2012 the ESWE has used the retreaded bus tyres (Retreader: Reifen Müller, Hammelburg) RINGTREAD BUS100. After this change they have reached the following improvement:

Performance city buses

RINGTREAD BUS100
88.000 - 90.000 km (+ 33% compared with the previous premium retread of a new tyre producer)

Performance articulated buses

RINGTREAD BUS100
56.000 - 58.000 km (+ 21% compared with the previous premium retread of a new tyre producer)

Dietmar Schneider,
Team Manager technical service of ESWE Verkehr:

„As well the reinforced sidewall as the general performance of the retreaded tyres are very satisfactory.“
